

# TRYING TO LAUNCH YOUR SPACE STARTUP?

[https:// karman.app](https://karman.app)

Karman is currently accepting applications from pioneering space companies, **looking to crowdfund between \$100k-\$500k.**

# KARMAN INITIATIVE

EARTH'S FIRST CROWDFUNDING  
PLATFORM DEDICATED TO THE  
AEROSPACE INDUSTRY.

Why raise on Karman?

- Direct access to thousands of space fans
- Build a loyal following to promote your company
- Reward based funding that's investor friendly
- Dedicated campaign launch support
- Only pay for a successful raise (10% fee)

## IDEAL CANDIDATES

- Looking to raise between \$100k-\$500k (early 2020)
- Raising to build a prototype (or fund a specific project)
- Planning to enter the **commercial space sector**
- Willing to engage regularly with their backers if successful

## +MORE INFO
